

Term 3 Year 4

Welcome to Term 3! We hope you have had a very festive and relaxing break and are ready for more fun and learning.

This term you will see that our topic is focused around the Ancient Egyptians. Please see the overview on the next page to find out more about the topics in each curriculum area.

Reminders/ Morning Routine

Year 4's punctuality and attendance has improved on occasions but we are still yet to win the Attendance Alligator or the Punctuality Parrot. Please, please, please try to get your child to school by 9am. More importantly they do miss little snippets of learning during this time as well as being heard read.

Uniform

With the weather getting colder we do ask that all pupils have a coat in school. We are insisting that they are worn daily as we want them to stay warm and bug free for as long as possible.

P.E. Slots

Some kits are not complete or some of the children are complaining about parts of it being too small. Please check with your child and also ensure they have both an indoor and outdoor kit as rain rarely stops us having fun and learning outside! (An outdoor kit includes: tracksuit trousers and jacket (dark in colour) and trainers.)

P.E.	Wednesday	Friday
Year 4	Outdoor	Indoor

Homework

Homework will continue this term with a new noughts and crosses board. Thank you for all the fabulous homework received during the past 2 terms. We hope this continues as many children have been recognised for a headteacher's award! Both Maths and topic are due on a Thursday, with spellings fortnightly on Fridays.

Science

This term we are looking at forces and magnets. For this topic we require some aluminum can ring pulls and some corks. Would you kindly collect these and send them in as soon as possible. Thank you

School Trip

On Thursday 21st January, Year 4 will be visiting the British Museum. We will be focusing on the Ancient Egyptian galleries and all children will take part in a Decoding ancient Egyptian tomb paintings workshop! Which I know they will love! As ever we ask that if you are available to help then please let us know. We would require at least 6 parent helpers.

If you have any questions please feel free to contact your child's class teacher or Mrs Vincett at
Claire.Vincett@palacewood@kent.sch.uk

Homework will link to the topics below and build on work this term or work we have done previously
