This policy has been impact assessed by Emma Ridout in order to ensure that it does not have an adverse affect on race, gender or disability equality

Philosophy

Physical Education (PE) contributes to the overall education of all children by helping them to lead full and valuable lives through engaging in purposeful and high-quality activity. It promotes active and healthy lifestyles, physical skills, physical development and knowledge of the body in action. PE enables children to learn confidence, perseverance, team spirit, positive competitiveness and organisation. Children must engage in a programme of PE that encourages fitness, improves their strength and teaches them the rules of games. PE is an integral part of school practices allowing all children in the school to gain a sense of achievement and develop positive attitudes towards themselves and others.

Aims

In order to promote active and healthy lifestyles all children should:

- be physically active
- adopt the best possible posture and appropriate use of the body
- engage in activities that develop cardio vascular health, flexibility, muscular strength and endurance
- understand the need for personal hygiene in relation to vigorous physical activity

In order to develop positive attitudes all children should:

- follow the conventions of fair play and honest competition
- cope with success and limitations in their performance
- persevere with and consolidate their performances
- be mindful of others in their environment

Role of Curriculum Subject Leader

- With the Headteacher, to share a role in the monitoring and evaluation of the PE curriculum throughout the school.
- To encourage other members of staff in their teaching of PE and to give support where appropriate.
- To encourage staff to work within the guidelines laid down in the PE policy.
- To keep up to date with current good practice and with national changes within the PE curriculum.
- To evaluate and update the Policy and Scheme and resources on a regular basis.
- To assist the Headteacher and Governors in the development of the School Improvement Plan.
- To manage a budget to purchase in line with the school's needs.
- To report the spending of the Sports Premium money to the Headteacher and Governors (this includes publishing this information on the school website)
- To support members of staff in the use of effective planning, assessment and recording systems.
- To oversee an annual inspection of all PE equipment with external agency.
- To maintain a high standard of PE teaching in his/her own classroom and ensure that PE keeps a high profile within the school, through sports activities, external support, etc.

Entitlement

Children are entitled to high-quality PE lessons. See below for time entitlements. Individual class timetables make reference to the lesson times for PE lessons. These are reviewed annually.

Year Group	PE entitlement	
	Outdoor	Indoor
Reception	Unlimited opportunity for outdoor play experiences.	1 hour
Year 1	1 hour	1 hour
Year 2	1 hour	1 hour
Year 3	1 hour	1 hour
Year 4	1 hour	1 hour
Year 5	1 hour	1 hour
Year 6	1 hour	1 hour

Curriculum

The areas of physical activity (games, gymnastics, dance, athletics, swimming and outdoor activities) are set out in the Foundation Stage Curriculum and National Curriculum 2014. The PE curriculum at Palace Wood Primary School is based on these requirements and is detailed on the year planner.

Palace Wood Primary School have adopted the PASS PE scheme of work for the teaching of skills in PE.

Each year group will learn PE in accordance with the long term planning. This will ensure continuity and progression through school in order to continue to improve standards in PE.

Areas of activity

Planning, Assessment, Recording and Reporting

High-quality lessons should include:

- A statement of the learning objective
- A whole class risk assessment
- Teaching the children to warm up safely
- The teaching of skills and techniques
- The application and adaptation of learnt skills in games activities
- Modelling of correct technique
- Use of correct and specific technical vocabulary
- Performance and evaluation of each other's work
- Work which reflects the learning objective
- Teaching the children to cool down safely
- Teaching the children the impact PE has on their bodies

Assessment

Summative and formative assessment in PE is carried out by class teachers:

- Informally during the course of teaching through observation using our Bronze, Silver and Gold Assessment System which is on all planning documents.
- Children to complete a self assessment at the start and end of each unit of work. This self assessment tool to be used to support children in being reflective in their lessons and with their achievements

- At the end of each unit of work teachers to complete pupil assessments in order to update the children's attainment and progress in that area of PE.
- These are used to assist in reporting to the parents and passed on to the following class teacher
- To inform future planning

Inclusion

In accordance with the school's Inclusion Policy, PE activities are differentiated to meet the needs of each pupil.

More Able and Talented pupils and children with ***Special Educational Needs and Disability*** will be identified through a range of activities. Their needs will be met through the development of individual or group programmes that encompass a range of learning styles and are designed to enrich the curriculum.

Equality

Teachers will ensure that all pupils have fair access to the PE curriculum, regardless of gender, race, or ability, in accordance with the school's Equality Policy.

Resources

All teachers have access to centrally stored PE resources. Resources are kept in three locations; indoor (both halls) and outdoor (bike shed) stores. All PE resources are checked regularly to ensure that they meet health and safety requirements, and in addition to this, all resources are audited annually.

Health and Safety

Everyone has a duty under health & safety guidelines to ensure PE activities are carried out with due regard to the safety of staff and pupils in line with school, Local Authority and Health & Safety Policies. Advice can be sought from the Local Authority's adviser, or the staff members responsible for Health & Safety.

- Staff should carry out risk assessments with the children at the start of all PE lessons (if in doubt contact the site manager, senior management or the PE subject leader).
- All equipment, apparatus and environment should be checked before the start of every lesson by teacher and is the responsibility of the teacher
- Children should be given health and safety guidance through the lesson
- All jewellery should be removed and stored safely before each lesson (exceptions for cultural, medical and religious reasons – permission letter to be gained from the Head Teacher).
- If children wear stud earrings they should be taken out by the child. If this is not possible, children should be encouraged to take their earrings off at home with the support of their parents. Palace Wood does not accept tape covering earrings.
- All long hair should be tied back
- Children who permanently wear glasses should wear them for all PE work.
- Teachers should wear suitable clothes including soft shoes, which allow them freedom of movement and enable them to reach any accident that might occur as quickly as possible.

- Suitable clothing should be worn for each lesson (see school prospectus for correct clothing) Children should not engage in physical activity without correct kit
- For indoor PE children should walk to the hall with suitable footwear on (pumps/trainers or school shoes)
- All children taking part in indoor PE should be bare foot or suitable footwear for indoor PE (pumps not trainers)
- For gymnastics when the apparatus is being used suitable footwear should be worn (pumps or barefoot only)
- Children who do not have a PE kit will take part in the lesson as an observer rather than a participator. Parents will be informed after two consecutive occasions of no PE kit.
- Every child must have a school PE kit. They should bring it into school at the beginning of a half term and take it home at the end of a half term for cleaning.

HANDLING APPARATUS

EYFS and KS1

- 4 children to carry a mat – one child at each corner. Mats should be lifted together and put tidily away in the mat trolley.
- Benches and other heavy pieces of apparatus may require 4-6 children. The class teacher to make the judgement.
- When carrying apparatus children must always walk forwards.
- All hooks, bolts, etc. must be securely in position.

KS2 follow a very similar approach to handling equipment to ensure easy progression. However, as the children grow there are some changes:

- 2 children to carry a mat – one child on either side. The mat should not be above their heads and should be put away in the corner of the hall.
- All equipment must be secured at the end of a PE lesson – it is the class teacher's responsibility to check this.

When travelling to sporting activity, the appropriate risk assessments are completed and the followed issues addressed:

- All children wear seat belts
- All supervising adults to be aware of risk implications
- All supervising adults that attend swimming to hold a current DBS
- All transporting adults to be fully insured
- Parents permission for taking children out of school obtained
- Parent permission for children to be transported by staff with correct insurance
- After school competitions children to be transported by their parents or a responsible adult who the child's parents have given permission. Parents must arrange a lift with another parent if they are unable to transport their own child. School to be informed.

Safe-practice standards are consistently applied by staff, students and other visitors, across all aspects of the school.

PHSCE

As documented in the schools' **PHSCE Policy, Foundation Stage Curriculum** and **National Curriculum 2014**, children need to develop the skills required to lead confident, independent lives and to become informed, active and responsible citizens. At Palace Wood Primary School, we encourage healthy eating and drinking through the government's Change4Life scheme.

Out of School Hours Provision

Depending on the time of the year, Palace Wood Primary School provides opportunities for children in wide variety of areas. These after school clubs are updated and changing according to the interests of the children.

After school clubs are available for children to attend from Reception to Year 6 and if required there is a subsidiary available where finance may be an issue.

All sports clubs are open to both girls and boys and are delivered by qualified coaches or teachers who deliver high quality lessons. The provision of Out of School Hours sports clubs is reviewed annually and registers are kept to ensure opportunities are provided for all children.
